**Subject:** RE: Mtg - Steering Committee

Keep in mind we don't want to be adding neighborhoods that have a lot of negative voters as they can "tank" the referendum. They can negotiate to stay off the new city map and petition for annexation later using the 60% method. Some of the neighborhoods simply want to stop us from taking DHHS and intend to launch campaigns to cause detriment to TIA.

My belief is they need to make their interest known to Reps. Mosby and Oliver. Sooner rather than later.

Matt,

If other neighborhoods want to join this effort, do they need to be petitioning Atlanta sooner, separately?

I know there's been a lot of questions about that.

John

FYI - we can discuss more at the meeting, but wanted to update you all on my lunch today with Howard Mosby, Mary Margaret Oliver and Pat Gardner (Atlanta delegation). It was very positive and Howard is planning to introduce the annexation legislation. Mary Margaret is a strong supporter and is managing the capital politics. Pat is going to line up the necessary votes from Atlanta delegation. We have a lot to do, but these three are good advocates and are working on our behalf. I have updated the Mayor's office on this meeting as well.

The subcommittee will not include annexation in its arbitration hearing. Just Tucker Lavista Hills disputes. It appears at the moment, that an Atlanta annexation bill will be separate and will happen on a different, much quicker/easier path. I promised that TIA will work to resolve map differences with LVH and will begin next week publishing details and facts about the effort to help head off any misinformation.

Have a good Thanksgiving. I look forward to seeing you all next week.

Hi everyone - The December 3 steering committee meeting will be 7:30pm in Room 111 of Emory's North Decatur Building. There is free parking in the Lowergate parking deck right next door to the building. The North Decatur Building fronts N Decatur Rd one block east of Clifton - it's mostly bluish-green glass.

Please note that there is another local community meeting happening in room 155 at the same time, so there might be others wandering around looking for a community meeting.

Thanks for all your responses. Among those who had a preference, December 3, 7:30pm, worked better for most. I'll get to work on a location and let you know.

Hi everyone -- We'd like to schedule an in-person meeting of the TIA steering committee. Please let me know whether Tuesday, December 2, 7:30pm or Wednesday, December 3, 7:30pm works for you. The location is TBD, but likely near or on the Emory campus.

Thanks very much.

Amy Power
